Subject: Request to Join Unified Arizona Veterans

The Unified Arizona Veterans (UAV) was established in December 1981 to collectively promote veteran related affairs. The UAV actively proposes, supports, and endorses legislation, administrative or other actions which further the general welfare and well-being of all Arizona veterans. Further, the UAV is dedicated to initiating and supporting activities and objectives which stimulate the love of country and our flag. A core mission of the UAV is to be a key conduit of information to all member organizations through its monthly meetings, our newsletter, and other targeted publications on events and matters of importance to Arizona's veterans. In addition, the UAV provides management and support of the Arizona Veterans Hall of Fame (AVOHOF), provides scholarships to eligible veterans and their families, and awards the Copper Shield and Copper Star awards annually.

Request to join UAV are limited to veteran's organizations and veteran-affiliated organizations located in Arizona. Please respond with the following information:
